Your primary ballot will only contain races where three or more candidates filed for the office. If only one or two candidates filed for an office, they will appear on the General Election ballot.

THANK YOU FOR BEING A PIERCE COUNTY VOTER.

Being a voter is so much more than returning a ballot to be counted. Voters like you are engaged with our community, take personal responsibility for preserving our democracy, and stay well informed. Thank you.

Registration Records - We Need Your Help!

"Just because you can, doesn't mean you should." My grandmother's wise words still ring in my ears.

New election laws take effect this month. You now have until eight days before an election to register online or by mail. If you miss the registration deadline you can still visit us in person before 8 p.m. on Election Day. You'll be able to register or change your registration. And, you'll be allowed to vote.

But just because you can wait until the last minute, doesn't mean you should wait until the last minute.

Help us maintain an orderly and accurate election. Please take a moment RIGHT NOW to check your voter registration status. Is your address correct? Is your registration active? Has someone moved out of your house?

You can quickly self-serve at Vote.Wa.Gov or call Pierce County Elections and we'll do the work for you at 253-798-VOTE (8683).

Don't wait. Visit the online portal at Vote.Wa.Gov or call Pierce County Elections at 253-798-VOTE (8683).

Please help us spread the word. Encourage family, co-workers, and neighbors to verify their voter registration records - or get registered - before the election is upon us!
