

60 Day Code Change Worksheet

1. How do we, the Coalition, want to be involved with MDC and Associated Ministries and the City over the next 60 days? One of the points several of us have made is that the City did not reach out to the Coalition during this process. Although the Coalition does not have a structure that allows policy decision making, we do have an incredible amount of knowledge, experience, and passion.

2. What "low hanging fruit" for day and night shelter can we propose? Just list them out.
