

Is this you?

I'm living paycheck to paycheck
I lost my job due to the COVID
pandemic
Sometimes I can't pay my bills
I feel overwhelmed by debt
I've maxed out credit cards and
collectors keep calling
I wish I had a career that I love, not
just a job
I want to work but I don't have
childcare

...we can help

About EcSA

Goodwill is working with multiple community partners to connect individuals and families with resources to help them gain financial stability.
