COVID-19 Vaccine FAQs

Our next step to end the pandemic.

Do you have questions or concerns about COVID-19 vaccine?

Join us for a community presentation as we answer:

- Why is the vaccine important?
- Is the vaccine safe?
- Is the vaccine effective for all racial/ethnic groups?
- Who can get the vaccine now?
- When can I get the vaccine?
- What are the vaccine's side effects?
- Who should talk to their healthcare provider before taking the vaccine?

During this online discussion we:

- Present accurate, clear information to dispel myths about the vaccine.
- Address the deep, historical traumas that have created distrust in the vaccine.
- Answer questions and add the information to our website.
