

Where is CPTC?

Clover Park Technical College has two campuses in Lakewood and Puyallup, WA. The campuses are located near hubs for many of the region's biggest employers including the military, education, healthcare, aerospace, retail and distribution, manufacturing, transportation, information technology, skilled trades, and government. Many of our programs include internships with these employers, providing hands-on training with industry experts.

Campus Life

CPTC offers many ways to get involved on campus through clubs, events, or activities in the Student Leadership & Service Center. Our Associated Student Government hosts events ranging from live music performances to free movie nights, and our clubs offer great ways to meet people with similar interests. If there's not a club for your interest, you can start one!

To find out more about how you can get involved, visit www.cptc.edu/involvement or stop by the Student Leadership & Service Center in Building 23 on the Lakewood Campus.
