

No insurance? No problem!

Here's where you can get a free flu shot.

The flu is not just a bad cold. It's a serious respiratory illness.

Get a flu shot now to protect yourself and those around you all season.

Adults 19 years or older without health insurance can get free flu shots at these locations.

Before heading to a location, call to make sure they have flu vaccine in stock.

Looking for flu shots for kids 0–18 years old?
