Homeless Memorial

Quarterly service to remember
those who died - Spring 2025

5:00 p.m. March 23rd

Each year between 150
and 300 people die on the
street, homeless. Their
deaths go unnoticed. These
people were invisible
during their lives. We as
a society can no longer
allow them to be
invisible in their deaths.

There will be an interfaith service at
Shiloh Baptist Church

1211 SI St, Tacoma, WA 98405 - All are welcome
