"Road To Independence" ... Affordable Vehicle Ownership & Micro-Loan Program...

HOM offers affordable, reliable transportation to support your independence and financial stability. Most starter vehicles are offered for under \$2,000, with in-house micro-loans available as an incentive for those who commit to and complete Elevate Academy training modules! On-time payment reporting to aid credit repair also. Ask for details...

NEW! Elevate Academy

Break old habits and build new, positive routines with our proven classes designed to support long-term stability and personal growth.

"One of the biggest problems I faced being released was the wrong sober houses I went to. There were more drugs and criminal activity going on in the house than on the streets until I came to House of Mercy...
Aaron H.
