

Research and Equity Advisory Council for Housing Insecurities (REACHI)

Role of REACHI

Members will guide CommonSpirit Health's national strategy to support individuals experiencing homelessness. Members will serve as a voice for the community and are invited to apply for the following roles:

General Member

Will have the opportunity to review and approve grants, inform program development and design, and provide feedback toward strategy & implementation.

Co-Chair

Will have the opportunity to facilitate meetings, plan meeting content and advise on the direction and vision of the council, and support council members.
