

Pierce County Homeless Memorial

Quarterly service to remember
those who died - Fall 2025

5:00 p.m. Sept 21st

Each year between 150 and 300 people die on the street, homeless. Their deaths go unnoticed. These people were invisible during their lives. We as a society can no longer allow them to be invisible in their deaths.

There will be an interfaith service at
Shiloh Baptist Church
1211 S 11 St, Tacoma, WA 98405 - All are welcome
