

YOUNG ADULT POLICY TABLE

WHY DO WE NEED FEEDBACK SESSIONS?

The voice of young adults (15-25 years) in policy creation is important because it's the policy that will impact the future!

Join Pierce County Council Chair, Jani Hitchen & County Councilmember Rosie Ayala to give your input on what needs to happen in order to ensure that a young adult policy table is done right. All are welcome. Snacks & drinks will be provided!

Two in-person & one Zoom options are available. Join whatever works for you! Scan QR code for more details & to add to your calendar.
