

# Are you serving your community and want funding?

# We want your input!

Pierce County Human Services is creating a resource webpage to encourage groups with limited experience or capacity to seek funding to serve their communities.

We want to partner with you so you can do what you do best. We are asking for feedback from local groups providing community services. What information and support would be most useful to you?

## **BENEFITS:**

- Grant-seeking tips
- Contract support
- Technical assistance
- No cost to participate
