

Grant Resources

We asked, you answered!

As part of our effort to engage more community organizations, Pierce County Human Services (PCHS) is offering online resources to support groups who may struggle with capacity to seek funding through grants, whether from PCHS or other sources.

[CLICK HERE](#)

The purpose is to offer guidance and resources for writing successful grants. Use of the resources or any part of the Grant Resources website does not guarantee funding from Pierce County Human Services or other agencies, businesses or community organizations.
