

Become a YOUTH HOST HOME Provider

Open your home to a young adult in need of housing

We pair a young person with a caring household wanting to make a difference

Program staff provide ongoing support from start to finish

Host Home Providers receive financial assistance

Youth receives case management to achieve education, employment and long-term housing goals

"One of the things I love most about being a part of this program is creating community in the house, getting to meet new people, and providing a service that is very much needed here in Tacoma."

- Alyssa, current YHHP
