LANGUAGE LIBRARY

Language access is vital in our language-diverse community. Pierce County Human Services offers the Language Library as a tool for our community members to learn about our services and programs in their preferred language.

The library offers resources in Samoan, Spanish, Korean, Vietnamese, and Russian, the main languages spoken after English in the county. Resources cover eviction prevention, aging and disability aid, energy assistance, veteran support, and more. We're continuously expanding to include more language communities. Scan the QR code or visit www.PierceCountyWa.gov/LL for details.
