

Call for Stakeholder Participation:

Unified Regional Approach to Homelessness

Why Get Involved?

We're seeking passionate and experienced county-wide stakeholders to join one of three essential task forces, dedicated to developing a **Unified Regional Approach to Homelessness** in Pierce County. Your expertise is crucial to our collective work.

Task Force Areas:

GOVERNANCE: Focuses on policies, regulations, intergovernmental relations, and system-level coordination.

OPERATIONS: Focuses on service delivery models, program implementation, data management, and direct service expertise.

FINANCE: Focuses on funding strategies, resource allocation, financial planning, and investment.

Commitment: to sharing your experience, learning from others, and problem-solving in a fast-paced environment. Participants are required to attend six meetings.

- Three in June 2025
- Three in August/September 2025

Ready to Make a difference?

Complete Interest Form by May 21st, 2025!

Your Expertise Matters:

We are committed to representing communities most impacted by homelessness and encourage individuals with lived experience to apply. Participants may be eligible to receive compensation.
