

Stronger Minds. Brighter Futures.

teen Mental Health First Aid (tMHFA) Summit

Tuesday, Dec. 16, 2025 | 2–4:30 p.m. | Virtual event (via Zoom)

Join us for this **virtual summit** and hear from professionals who work to improve the behavioral health career pathway for teens in Pierce County. You will:

- Learn about tMHFA program successes, data highlights, and new opportunities for youth-led mental health projects and internships.
- Hear from Workforce Central on strategies to grow the behavioral health workforce and career pathways for students and employers.
- Explore updates on behavioral health career development opportunities for youth.
