

When Crises Collide:

Supporting the Homeless through Community Resiliency & Service Coordination

.....
*A HUD disaster preparedness resource
virtual workshop*

- ▶ Join the Seattle HUD Field Office in a virtual workshop to learn more about Community Resiliency and Post-Disaster Homelessness -- a disaster preparedness resource workshop for public sector agencies, housing providers, and local governments in high-risk areas.

Several Federal, State and local partners will present at this session including (FEMA, SBA, HUD Housing Counseling, HUD Multi-family, CoCs, and more). The workshop will look at jurisdictional risk (earthquakes, fires, flooding, etc.), ways to prepare for those risks, and post disaster resources.

December 13th, 2022, 10am to 11:30am PST
