

Coalition Letterhead
Coalition Liaisons with National Organizations

The Tacoma Pierce County Coalition to End Homelessness is inviting people interested in serving as a liaison from the Coalition to national homelessness, housing, health, and economic justice organizations. These organizations represent our interests at the national level and work to secure federal legislation and funding on behalf of people experiencing homelessness and people with low wealth/low incomes.

Serving as a Coalition liaison means attending virtual meetings, reporting back to the relevant Coalition committee, sharing updates, new research, status of legislation, action alerts, opportunities for training and technical assistance.

There should be no out-of-pocket costs. Unfortunately, the Coalition does not have funding to cover fee-based training.

Maureen Howard will be the Coalition's point of contact for the liaisons. We'll figure out the best way to communicate information without overwhelming the general listserv.

Here are some opportunities:

The National Coalition for the Homeless
Civil Rights Committee - meets the

The National Alliance to End Homelessness

The National Low Income Housing Coalition

Healthcare for the Homeless National Council

The National Community Reinvestment Coalition
